THE CANADIAN CHAMBER OF COMMERCE IN HONG KONG

THE CANADIAN CHAMBER OF COMMERCE IN HONG KONG

Founded in 1977, the Canadian Chamber of Commerce in Hong Kong is a proactive, non-government body that provides an extensive networking platform for members with business interests in Canada, Hong Kong, Mainland China, and the broader Asia-Pacific region.

CanChamHK is one of the largest Canadian business organizations outside of Canada, one of the leading and most active international chambers in Hong Kong, and an influential business group in Asia-Pacific. Like Canada itself, the Chambers strengths are built upon the diversity of its members who range from blue-chip Canadian and well-known Hong Kong corporate names to local start-ups.
